**SEWERBY HALL  
AND GARDENS**

Let us know when you have completed the four areas, and we will provide you with a certificate.

You can also complete the Creative Families Award through attending Sewerby Squirrels.

Find out more at

Why not share your achievements with us?

@sewerbyhall

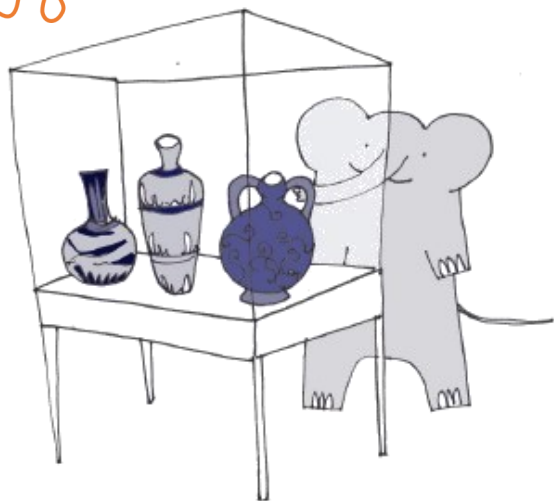

The Creative Families Award is designed for children aged 1-4. It can be completed by families, nurseries, schools or childminders, and is very easy to achieve.

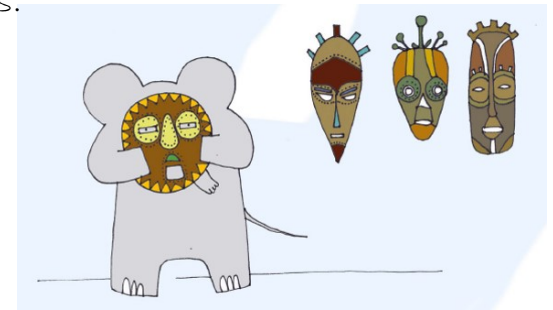

There are 4 areas to fulfil...

**Discovering arts all around** Explore the House, gardens and zoo. Look at paintings, sculptures, furniture and architecture. Talk about your favourite things.

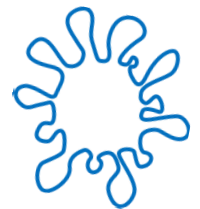

**Experiencing artists' work** Use our Explorer Kits, activities and trails to investigate artwork, objects, architecture or sculptures.

**Making and Creating**

Create something inspired by what you've seen. This might be drawing, sticking, modelling, acting, or anything creative.

I did this!

**Sharing experiences** Talk about what you have seen and done with friends and family, or at your nursery or school.

I did this!
